P.U.R.G.

P.U.R.G. was set up in 1999 by Partick Housing Association. The Association's aim was to involve tenants and residents more directly in the work of the Association. With the assistance and advice of PHA and the Tenants' Information Service, PURG has continued to grow from strength to strength and now has a very successful track record on a number of issues - from helping to revise PHA's procedures on close cleaning and anti-social neighbours to campaigning for the introduction of a green machine exclusively for the Partick Area.

If, like the other PURG members, you love Partick and can spare a few hours each month, then join up and come along to the meetings which are held every month in the Partick Annexe. Refreshments are provided.

If you decide to join, fill up the application form and either post or hand it in to the Association's office at 10 Mansfield Street. We will write to you giving details of the dates etc of future meetings.

A very warm welcome awaits you
