

Maintenance Officer - Investment Team

EVH Grade 7 £42,707 – 46,895 | Glasgow

We are recruiting a skilled and customer-focused Maintenance Officer to support the delivery of high-quality asset management programme and investment services. Working as part of our Investment Team, you will help ensure homes are safe, well maintained and compliant, while contributing to planned maintenance, contract management, stock condition information and continuous improvement across our services.

We believe that great people make a difference to our business. You will be a strong team player with excellent communication and interpersonal skills, able to build positive relationships with tenants, colleagues, contractors and partners. You will be organised, responsive and confident in prioritising competing demands, monitoring performance, managing budgets and supporting effective service delivery.

Ideally, you will have experience in property maintenance, planned works, contractor management, procurement, health and safety and housing asset management, preferably within the social housing sector. Experience of using stock condition data, monitoring compliance information and supporting project delivery would be an advantage. A relevant qualification in building, construction, housing, property maintenance or a related discipline is desirable.

Based in Glasgow's vibrant West End, Partick Housing Association is a community-based organisation with a strong track record of delivering high-quality homes and services for our customers. At Partick Housing Association, we are committed to service excellence, value for money and continuous improvement. We work with tenants, partners and stakeholders to meet local housing needs, maintain safe and sustainable homes, and respond proactively to future challenges and opportunities.

Closing date: 10am on Monday 3 August 2026. Interviews will be held on Tuesday 11 August 2026.
